THE SOUND

"Ultimately, *THE SOUND* will reach people with music of substance that doesn't smother reality — this has to be important."

PAUL MORLEY — NME

"*THE SOUND*, from London(!) do the impossible and out bunny the Bunnymen with music of such arrogance that it must immediately shoot *THE SOUND* to the heights of a very important band indeed. God, the energy here! *THE SOUND* sound individual, brave, cheeky. *THE SOUND* are big and brassy. They pack a clout meaner and more effectively than any other band ... I'm totally hooked." DAVE MCCOLLOUGH — SOUNDS
