

CORUBA CALENDAR

RIU, JULY 12 TO AUGUST 12

MON. TUES. WED. THURS. FRI. SAT. SUN.

Look Out For ...

Batten down the hatches! Hide the silver! Plug yer ears! **Motorhead**, the loudest, baddest band in the world (with the possible exception of the Axemen) is coming! They play eight centres between Dunedin and Whangarei this month ... and at the other end of the Universe, **America** remind us they're still around. Their tour starts the day after Motorhead's finishes, on July 29 ... the traditional music of New Guinea gets mixed with modern idioms by **Sanguma**, who play the Gluepot August 2-4 and at various other venues ... American guitarist **Michael**

Bagley continues to fret his way through the country with **Rocket 88** ... and Iva Davies and **Icehouse** play five centres this month, kicking off in Auckland August 10.

Jive Bombers undertake a major tour, venturing into the South Island for the first time ... the **Verlaines** venture outside the main centres for their July tour ... **Ritchie Pickett and the Inlaws** have a country good time all over the South Island.

Events include the final of the **Dunedin Band War** at the Cook, July 28 ...

 two of the successful **Campus Radio** nights at the Gluepot, July 26 (featuring **Chills**) and August 9 (**Great Unwashed**) ... southern cousins **Radio U** take over the Star & Garter July 26, 27 & 28 and intend to raise money with a veritable onslaught of talent ... Christchurch also has **Under-Age Rages** at the Caledonian Hall throughout the month ... the **Bongos** get back together for two nights at the Windsor, August 3 & 4 ... the **Dread Lion Band** ventures out into the public eye with performances at Streets Ahead on August 2, 3 and 4.

The Arts, Etc.
 The **Auckland Film Festival** runs from July 20 to August 2 ... poets the **Mad Kiwi Ranter, Two Metallic Hearts** and others feature along with **Marie and the Atom, the Kiwi Animal** and **This Is Heaven** at the Ponsonby Community Centre on July 28 ... the first production at Auckland University's new theatre, **The Drama Studio**, will be Sean O'Casey's *The Silver Tassie*. The Drama Studio is on the third floor of the new Arts and Commerce building and the play opens on August 2 ... **Mark Vesey** has an exhibition of original paintings and sketches entitled *Marks On Canvas* running until July 22

at the Last and First Cafe ... the July 15 **Radio With Pictures** features videos by **Low Profile, Sons in Jeopardy** and **Martial Law** ... Auckland's Academy Cinema continues to feature **Pink Floyd's The Wall** in full stereo every second Sunday.

Coming Up ...
U2, after missing Sweetwaters, play Christchurch August 29, Wellington August 31 and Auckland September 1 and 2 ... **Dance Exponents** return from Australia to make a 12 centre concert

tour (see ad for details) commencing August 25 ... Sydney's **Hoodoo Gurus** venture here in early October.

Rumoured to tour in the next few months are the **Psychedelic Furs** and **Spandau Ballet** ... and, come summer, we may be seeing the **Cars** outdoors ... the reason that **Culture Club** didn't pop over here while they were in Australia recently was the lack of a suitably-sized indoor venue. It was decided that the summer, when an outdoor venue was possible, would be a better time to come.

Never ask for dark rum by its colour. Ask for it by the label.
