March 17 Wellington concert by adding a second, later show ... Australians the **Johnnys** and **Go-Betweens** both visit for pub tours ... eccentric Englishman **Roy Harper** tours centres large and small.

The **Flying Kiwi 86** began as the Fringe event for the International Festival of the Arts in Wellington but has now assembled an impressive and interesting lineup for its string of nights at the Flying Ballroom (formerly Uncle Albert's Nightclub) it's small centres only for the **Stone People**, an assemblage put together by **Dave Dobbyn**, which will do an extensive tour of

provincial NZ, to be made into a docu-film ... the **Bats** do a farewell tour before flying out for a few months holidaying and playing in Britain.

Herbs undertake a relatively rare full national tour, going as far south as Dunedin ... **Peking Man** and **Everything That Flies** top the bill at a concert at Muir Park, Hamilton on March 15 ... **Taranaki Sol** makes his lazy, hazy way around the country ... and **Different Dance** is a touring show by respected choreographers **Sue Jordan** and **Jamie Bull**.
