**Franklin and Smokey Robinson** ... two members of **Debarge** have been busted for transporting two pounds of cocaine from Michigan to LA.

Phases & stages: the **Smiths** may reform, with **Morrissey** and **Johnny Marr** working with new musicians. Meanwhile, the **Beasties** have not split. That was a rumour spread by **Rick Rubin** to stop them leaving Def Jam. However **Echo and the Bunnymen** have split, or at least their bassist has left ... **Grant Hart**, ex-**Husker Du**, is in a band the **Swallows**, just signed to SST ... **Dennis Hopper's** new film *Backtrack* will star **Bob Dylan** and **Toni Basil** ... finally, the **Rolling Stones** look set to record an album in early '89, after recent meetings. **Keith Richards** has finished his solo LP. Helping out have been guitarist **Waddy Watchel**, former JB saxman **Maceo Parker**, bassist **Bootsy Collins**, ex-Labelle singer **Sarah Dash** and the **Memphis Horns**. Arrangements were done by ex-AI Green producer **Willie Mitchell**.

**Wellington**  
**Tex Pistol's** follow-up to 'The Game of Love' is out on Pagan this month. Called 'Nobody Else' — as is the forthcoming album — it's a duet with and by **Tex's** younger brother, ex-**Crocodile**, **Rikki Morris** ... **Earth Telephone** are a new band consisting of Paul Lee on sax and clarinet, Peter McIntyre trumpet, Chris Or-

ange double bass, Bryan Tressider drums and Alan Wright sax. Playing styles range from big band R&B to "off the planet weird stuff." They tour south this month ... after a successful South Island tour **Neil Jones** tours north before recording an album at Frontier ... both the **Holidaymakers** and the **Warratahs** are doing selective out of town gigs and have plans to record again before the end of the year. The **Holidaymakers** have demooed new material and the **Warratahs** have written enough for a new album, but expect a new single before Christmas.

The **Manson Family** have recorded nine tracks at Withe for an EP that will be packaged with a booklet ... the **Netherworld Dancing Toys** are mixing their new album at Marmalade, with a single due in October and the album out for Christmas ... **Madlight** have reformed and offer punters the chance to experience one of the largest drum kits in the country ... **Dean O'Reilly** has joined **Wazzo Ghoti** on drums but will still continue to work with **No 9** who are now down to a trio with the departure of bassist Cynthia ... **John Donohue** (ex-Warratahs) has played several gigs with his new band, simply called **John Donohue and Friends**, and has moved from bass to his more favoured lead and rhythm guitar ... the **Soul Fillets** are taking a break from the Southern Cross "Soul Bar" while **Denis O'Brien** is in the UK for five weeks. **Kaihana** will replace them at the venue ... **Denis Mason** and the **3-5-8s** have finished their Brasserie residency and have taken on an eight-week stint in Queenstown before touring the South Island.

**Phil Bowering** has released a solo album *Moving Lines* through Ode and is working on a video for 'Body Language.' He'll play live dates soon ... **Sticks and Shanty** have just completed a video for their single 'Play it Safe' ... the **I-Foundation** have resurfaced and feature **Barbara Ryland** from Sticks and Shanty on BVs ... two other new bands are the **Winklepickers**, desecrating covers, and a band destined to be "the next big thing" simply called **Sara** the new 10-track **Spines** album is titled *The Miscreant* and with the art work completed is ready for pressing by Flying Nun ... **Putty in Her Hands** are working on a video for 'Walk With My Dreams' and are recording an album for Jayrem ... **Ngahiwi Apanui**, singer/songwriter for **Aotearoa**, has a new solo project funded through QE2. A single 'E Tu' will be followed by an album titled *The Return Home*, also on Jayrem ... note that applications for the QE2 New Recording Artist grants close at the end of September, not October.

**Arthur Baysting** and **Bill Lake** will do an afternoon show at the Clare-

**Problem** "My acoustic guitar can't be heard over the other instruments in my combo unless I'm willing to put up with disturbing body noise and feedback."

**Solution** Simply visit your favourite music store and have them install a new 2nd generation Thinline 332 acoustic pickup from C.F. Martin and Fishman Transducers. Then you can amplify

acoustic response like you need to ... without colouring your natural sound. The Thinline 332 pickup is the choice of all discerning guitarists. And it's standard on Martin Shenandoah Series guitars.
