

# WIN *freaky trigger*

'Freaky Trigger is a pop artifact of surpassing brilliance... A tale of theft, madness and genius' NME  
 'When the world takes stock of its treasured record collection... There's certain to be a WIN album. And this is the one.' OFFBEAT  
 'If you've ever wanted to know what's been going on in pop music for the last twenty years, step this way... a perfect record.' RECORD MIRROR  
 'Win's second album works on every level intended and a few others besides... a work of breathtaking gloss and cheek.' SOUNDS  
 'This is a stunningly accomplished record on every level, and it's yours to revel in now!' MELODY MAKER

# LOVETRAIN HUMAN FEELINGS RETURN

"A British guitar band making psychedelic faces and blowing butterfly kisses as they coasted down the transcendental track into the heat haze of the UK's Love Junction '89." NME

"Lovetrain have blossomed into one of the UK's most respectable classic guitar pop bands. At last, a band to revitalise the reputation of UK pop music."

MUSIC WEEK

Produced by Phil Thornalley

# Bob Mould Workbook

"Workbook is an excellent record for Mould to start the next phase of an always intriguing career. Let's not forget the past, Husker Du were unquestionably one of THE great bands, but new chapters are unfolding." MUSIC WEEK.

"This is to rock 'n' roll what BLUE VELVET and THE RIVERS EDGE are to cinema — dark, memorable dives into the deep end of the experience some people dismiss as 'entertainment'. Stunning." AK STAR  
 "Stunning" NME
