APRIL VINYL

MR PARTRIDGE

Take Away
(The Lure of Salvage)

XTC's lead singer & guitarist Andy Partridge experiments!

"This used to be some XTC records. It is now a collection of tracks that have been electronically processed/shattered and layered with other sounds or lyrical pieces." Intrigued? Don't miss it!

The Flying Lizards

FLYING LIZARDS

The Flying Lizards

The unique Flying Lizards deliver their debut! A witty, dazzling and totally irresistible collection that includes the smash hits "Money", "Summertime Blues" and "TV".

V2150

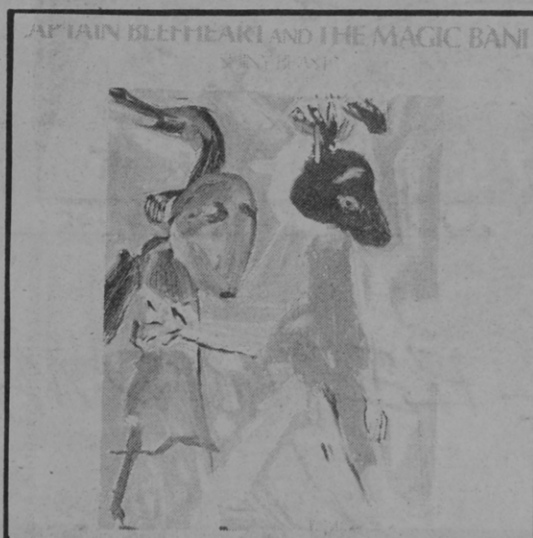

JOHN FOXX

Metamatic

Ex-Ultravox lead singer and composer, delivers his first solo album of which *MELODY MAKER* stated: "an album of surprising power — it may not be synthetic perfection, but it's the nearest damn thing so far!"

V2146 TCV2146

CAPT. BEEFHEART & THE MAGIC BAND

Shiny Beast
(Bat Chain Puller)

"In the world of rock music, Captain Beefheart stands alone, a talent so unique that he might as well be in a parallel universe."

NME

"Shiny Beast" marks the beginning of another phase in Beefheart's remarkable career.

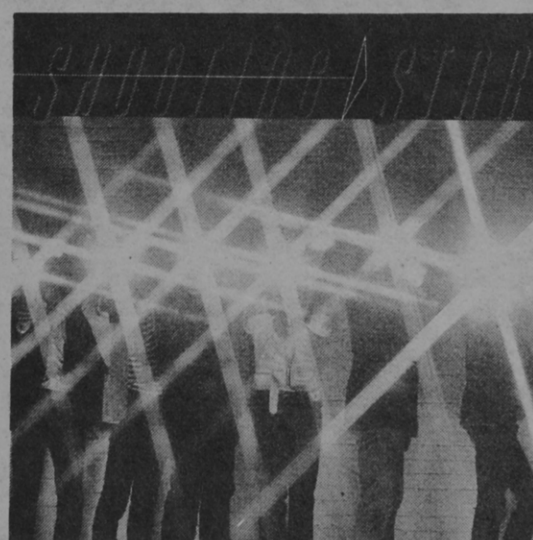

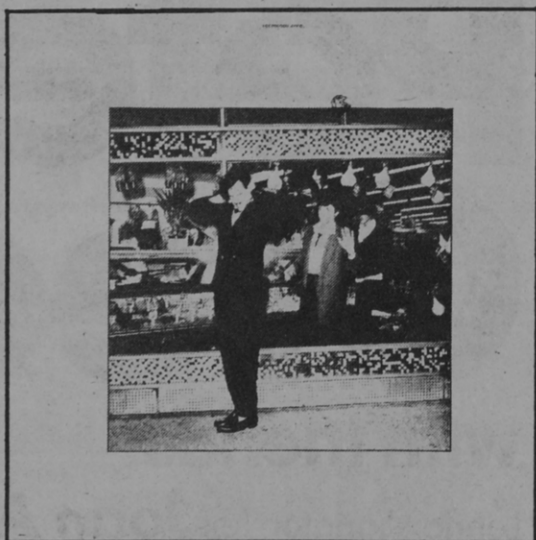

V2149 TCV2149

SPARKS

Terminal Jive

Highly acclaimed by *MELODY MAKER* as the Mael Brothers "best album to date", this latest effort marks the second phase in the collaboration between master producer Giorgio Moroder and Sparks.

V2137 TCV2137

SHOOTING STAR

Shooting Star

Tipped as one of the hottest new acts for the '80's, Shooting Star is Virgin's first American signing! They play powerful, 24 carat rock'n'roll music. Produced by Gus Dudgeon.
