PURE MUSIC

MADNESS ... One Step Beyond
From the label that brought you
Elvis Costello, here's Madness.
Features hit single "My Girl".
Went to the top in the UK and is
now moving up American charts!

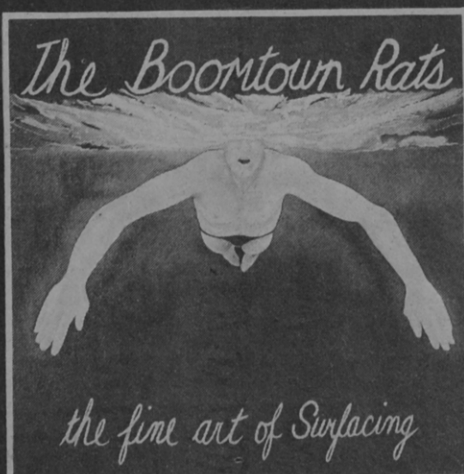

THE JAM ... Setting Sons
'No. 1 Album of 1979' (NME
Readers' Poll) ... and No. 1 Group,
No. 1 Single, No. 1 Songwriter
(Paul Weller) etc...

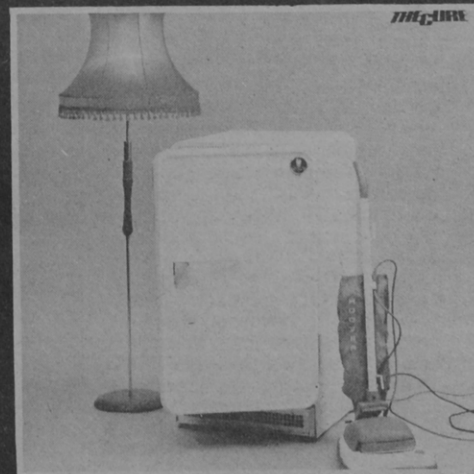

VELVET UNDERGROUND & NICO
A classic re-issue. Produced by
Andy Warhol, featuring Nico, Lou
Reed, John Cale — "I'm Waiting
For The Man", "Heroin" and more.

HEADBOYS ... Headboys
Debut album from a hot new UK
band — presently enjoying great
success in American charts.

BOOMTOWN RATS ... Fine Art of
Surfacing
Rock'n'Roll at its finest, from THE
LEGENDARY RATS — surfacing
soon in New Zealand.

THE CURE ... Three Imaginary
Boys
The New Wave band to keep up
with, if you can. Voted Best New
Artist No. 3 in RIU Readers' Poll.
