CONTINUED FROM ABOVE venue in Wellington.

On international front, gigs by reformed Herman's Hermits and the Mamas and the Papas seem likely. So far Hermits confirmed only in Wellington and Mamas and Papas at Mainstreet. Also from other climes is Chicago Jazz Exchange who play early weeks at Gluepot.

Dances: In Christchurch Alternative Entertainment Bureau and Rock Against Racism doing sterling work. AEB Beggars' Banquet July 2, Arts Centre Great Hall features food, films,

Diatrobe: (L-R) standing are Peter Kirkbride, John Berkley. Not standing are Ross France, Chris Whyte, Rafet Rantjoki.

bands from 5pm. RAR gig same venue June 19, 2pm. Also another Underage Rage, Caledonian Hall June 17, Clients, ECF, Evasive Action.

Coming Up

Bowie gets to play under the serious moonlight Western Springs, November 24 and Athletic Park Nov 26, but not, apparently any further south. Expect Dead Kennedys in early August and also possibly Anglicised Aussies the Go-Betweens around the same time ... Iggy to pop in in July? ... and those other ockers, the Laugh-

ing Clowns are still due sometime ... Crusaders due early August ... Rowan Atkinson brings a revue here in late August - a full theatrical production.

Warrior and Reaction Records' New Zealand Music Fighting Back campaign is set to go for July 31 at the Logan Campbell Centre. It will feature lots of NZ bands and a trade fair. Stereo FM has come to the party by agreeing to play more NZ music than any other station. Won't take much doing as a recent survey revealed the average level of local content was around 1.2 per cent.

Never ask for dark rum by its colour. Ask for it by the label.
