

Just Pics

The Kilgour brothers David and Hamish (below) are no longer Clean, they're the GREAT UNWASHED. Just to drive that fact home, their new album is called 'Clean Out of Our Minds'.

When Propeller Records held two benefit gigs at Mainstreet, ALEXANDRA WRIGHT was on hand to take pictures. Snapped were:

1. MARK BELL, Coconut Rough and cap.
2. PETER MEEMEE ignores bandroom

graffiti.

3. MICHAEL MEEMEE in a corner.
4. JULIAN HANSEN of Terror of Tinytown looks heavenward.
5. BONES HILLMAN of Swimming Pools.
6. EDDIE DIEHARD holds pole up.
