PRODUCED BY JIMMY JAM & TERRY LEWIS

featuring the luther vandross & janet jackson
hit 'the best things in life are free'
and lots mo'

Listen up and you will find here a depth and positive spirit sadly absent from most mainstream dance; raps and lyrics with a conscious message, jazz with attitude. In fact it's not surprising to find these vibes reaching a growing audience in clubs throughout the UK, US and Europe where these new musics provide one side of the be-bop to hip-hop equation. Nod your head to this and join the celebration.

The Rebirth Of Cool The Album

Featuring: Galliano/Dream Warriors/Ronny Jordan/X Clan/Outlaw/Young Disciples/Dodge City Productions/Mica Paris and much more

The Rebirth Of

COOL
