

JANI H. ELLRIEGEL

featuring the singles 'the way I feel' and 'no idea'

IT'S MY SIN

"She'll never be about to be anyone's rock bimbo, but all the same there's an undeniable sexiness to her raucous, moody vocals and to the sway of her melodies... Exceptional."

COLIN MOSE, SUNDAY STAR

"More than just being an accomplished debut,

*It's My Sin* is a record of many virtues."

RUSSELL HOLLIE, NZ HERALD
