- 31 Maslen’s bibliography to 1993 is accessible in Douglas R. Harvey, Wallace Kirsop, and Brian J. McMullin, eds, *An Index of Civilisation* (see note 5), pp. vii–xii. I have used a more recent vita that he supplied.
- 32 These and following details are drawn from Maslen’s *The Bowyer Ledgers: The Printing Accounts of William Bowyer Father and Son, with a Checklist of Bowyer Printing 1699–1777, a Commentary, Indexes, and Appendixes*, ed. by Keith Maslen and John Lancaster (New York: Bibliographical Society of America; London: The Bibliographical Society, (1991) p. 2; and ‘The Bowyer Ledgers: Their Historical Importance’, *Papers of the Bibliographical Society of America*, 82 (June 1988), 139–49.
- 33 The early ledgers of the London printer and publisher William Strahan (1715–85) have been analysed by Patricia Hernlund in two articles in *Papers of the Bibliographical Society of America* in 1967 and 1969 but not edited. I am not knowledgeable about the status of the Woodfall ledgers, which appear to have escaped the attention of modern scholars. See P., P. T. [Dilke Charles W.] Woodfall’s ledger, 1734–1747.
