

*Upogebia*); Miss M. J. Gordon (Hymenosomid crabs), Zoology Department, University of Auckland; Professor W. C. Clark (Pycnogonida), University of Manawatu; Dr R. K. Dell (Prosobranch molluscs and *Robsonella*) of the Dominion Museum; and Mr J. G. Penniket and Mr A. G. McFarlane (Insecta) of the Canterbury Museum.

My debt to certain colleagues who collected material has been mentioned so that I close with grateful acknowledgments to my various research assistants, in particular to Mr G. Hosking, and to the University of Canterbury for providing sundry funds for their employment.
