WORD PUZZLE

How it works: Each puzzle contains a group of 16 related English/Maori words and is divided into letter squares. Hidden in these letter squares are 8 English and 8 Maori words. The clues for the hidden words are given to the right of the puzzle. Enter the equivalent English or Maori word according to word length and then find that hidden word in the puzzle box. The word may be placed in any straight line (horizontal, vertical, or diagonal) and in a forward or reverse direction.
