ST. LUKE'S CHURCH.

BUILDING SCHEME.

NEW PORTION DEDICATED BY BISHOP OF WAIAPU.

BIG IMPROVEMENT

On Sunday, September 17th, after being closed for three weeks, to enable an enlargement scheme and other improvements to be carried out, St. Luke's Church was re-opened for the

use of Divine Service. The Bishop of the Diocese, the Right Rev. H. W. Williams, M.A., Litt.D., performed the ceremony of consecrating the new portion and dedicating the pulpit which had been presented to the church. Other improvements have also been made. The work has been very successfully carried out by Messrs Lloyd and Quinlan, under the supervision of Mr. H. E. Goodwin, the architect. The

extra length of 20 feet added to the nave has been a very great improvement in the proportions of the building, and members of the church are unanimous in their expressions of satisfaction with this forward move—that the authorities of the church have undertaken to bring St. Luke's Church building up-to-date with the many other developments that have taken place in Rotorua in recent years.
