

**OF SPECIAL INTEREST TO  
CLERGY, ORGANISTS and  
CHOIR MEMBERS.**

**HYMNS ANCIENT & MODERN**  
The Shortened Music Edition.

A new edition, larger in type and lighter to handle than those hitherto available. A number of fresh tunes have been inserted and better versions substituted for some of the old ones.

The compilers have avoided cumbering their book with dead or superfluous material but the hymns which are in general use appear in company with the tunes to which they are wedded in the ears of churchfolk.

The provision of alternative tunes has had the advantage of finding room for some fine tunes that have not appeared before.
