

City. Shortly after half-past seven admission had to be refused. "Hc-Peep" proved a sweetly pretty entertainment, the singing and dancing of the children being, for children, faultless. The Gipsy camp was very effectively staged, no pains having been spared to present the idealistic conception of the life of the Romany Lad and the Romany Lass. The boys and girls acquitted themselves splendidly, some of the by-play being exceptionally good. In response to a general request the performance was repeated on the following Wednesday, when again the schoolroom was filled. The takings amounted to nearly £30.

The annual meeting of the parishioners took place in St. Matthew's Schoolroom on the 25th July. The balance-sheet showed that the parish was making substantial progress. The Vicar announced that owing to the rapid increase of parochial work he had engaged an assistant and appealed to the congregation to accept and discharge their increased responsibilities in the same spirit in which they had accomplished so much good work in the past. A fuller report will appear next issue.

Mrs Callinder, who has for many years taken an active part in all church work here and especially in the Sunday school, has lately left us to reside in Masterton. Before she left she was presented with a well-filled purse as a token of the affection and esteem of the children of the Sunday school, their parents, and other friends.

The church at Norsewood has also lost a faithful attendant in Mr James Gray, who has gone to Hastings.

On July 10th five of the Vestry and the Vicar met at the Church in order to prepare the ground for a hedge which is shortly to be planted. Good progress was made, and it is hoped that before very long the surroundings of the church will be much improved in appearance.

The annual meeting of parishioners was held at Havelock on July 16th. The balance-sheet showed an increase in offertories, and a large increase in subscriptions to stipend fund. A vote of sympathy with the family of the late Canon St. Hill was passed, and it was decided to place the memorial window opposite to the memorial window to Mrs St. Hill in the chancel. Mr A. Warden was appointed Vicar's Warden. Mr Quartley was re-elected People's Warden. The five Vestrymen elected were:—Messrs W. J. Symonds, Geo. Sherwood, J. H. Williams, R. J. Smith, C. A. FitzRoy.

The meeting at Clive was held on the 18th. The accounts there were also in a satisfactory condition. A similar vote of sympathy with the family of the late Canon St. Hill was passed. The Ladies' Committee reported that they had bought a new carpet for the sanctuary at a cost of £10, and they wished to give their balance in hand of £3 9s 9d to the Font Fund. It was then decided to place a font in the church as a memorial to Canon St. Hill. The five Vestrymen elected were:—Messrs R. Bate-man, H. Lawton, W. Cushing, A. R. Noble-Campbell, A. K. Cotterill. Mr W. Cushing was appointed treasurer. Mrs Sinclair was appointed organist from July 1st, and Mr George Thornton received a hearty vote of thanks for his services as organist during the past year.

The ladies of Havelock are preparing for the annual social, which is held soon after the parish meeting, and this gives the Vicar and Churchwardens the opportunity of addressing a large gathering on subjects of interest in connection with the parish, as well as proving a means of social intercourse. This, we think, is a better plan than having the social gathering on the evening of the parish meeting.
