

rights, privileges, and liberties." It was also moved and seconded: "That the members of the Ashburton Branch of the W.C.T.U. have noted with grave concern the manner in which the adverse report of Sergeant Emerson was ignored by the Selwyn Licensing Bench at its recent meeting at Rakaia, when a license was applied for and granted for a publican's booth at the forthcoming Trotting Club meeting. Members of this Union have frequently observed the admirable efforts made by Sergeant Emerson to maintain law and order in the Ashburton and Selwyn districts, and recognise that the Dominion is to be congratulated on having such a capable and faithful officer. The Union deplores the action of the Licensing Committee in granting an application to sell liquor in face of strong evidence given by the Sergeant." Pastor Innes was present, and delivered a forceful and instructive address on "Influence." A hearty vote of thanks was accorded the speaker.

NGAIRE.

Jan. 29. Cradle Roll and Sunday School picnic was held in Ngaire Gardens. A nice number attended, and a pleasant day was spent.

Feb. 3. Meeting at Mrs Morison's home, Mrs Morison (President) presiding. At the close of meeting five new members were enrolled.

SEDDON.

All White Ribboners will be interested in the following report, furnished by Mr R. Adams, Superintendent of the Band of Hope, which, although not under Union auspices, is the outcome of our organising efforts having been commenced by Miss Powell during her visit to Seddon, Marlborouhg, where she was unable to organise a branch of the Union:—

Our local Band of Hope started in May last, has had a continuous if not a prosperous career, and held its first "break-up" function last Friday, when we had just a splendid time. Permission was obtained to hold a picnic in the grounds of "The Nursery," which is simply an ideal spot for such an event. The ladies provided an abundance of tea and cakes. Forty-three children sat down on the grass to tea. It was a beautiful sight to see the happy little company. Several were only visitors, of course. The various sports and pastimes continued up till 7.30 p.m., when we repaired to the church for an hour or more, and there spent a very happy time, each juvenile member receiving a neat little Christmas card before leaving for home. We have issued 33 membership pledge cards since the opening. The meetings are to be resumed on the first Friday in March, 1914.
