

**THE ORGANISING DEPARTMENT**

Dear Sisters,—With my arrival in Palmerston North my work for the Union concludes in the meantime, as I have been engaged by the local N.Z. League to spend some time in working in that town. While it is with a considerable amount of regret that I relinquish the position of W.C.T.U. Organiser, still I have always felt that as the poll nears it must take precedence of all other temperance work. In this view, I am glad to say, the acting New Zealand President and Dominion Corresponding Secretary—in whose authority the department is placed—concur, while Mrs Cole, when asking me to take the position, anticipated this turn of events.

After all, this is W.C.T.U. work, and if the work done in my little area should help to bring nearer the glad day when we shout our victory for National Prohibition, no one will rejoice more than my White Ribbon sisters.

May I ask you, in the meantime, to keep up your payments to the Organising Fund, even if, for the present, no Organiser should be working. A little calculation will show you that even if every Union sent along its annual contribution at the rate of 1s per member (which, I am sorry to say, all do not), the fund would not be sufficient to pay expenses. So this is the time to get a little ahead.

Before closing, I should like to call your attention to the very fine literature on sale by Mrs Neal. For 5d Mrs Neal will send a sample packet of about a dozen leaflets eminently suitable for reading at mothers' meetings. A set of charts and descriptive pamphlet are also very good, as well as other pamphlets suitable for addresses to children. For particulars, see Mrs Neal's letter in September issue of this paper.

Will correspondents kindly cut out my address (as below), to save mistakes and delay?—Always yours for the work,

M. S. POWELL.

15a Ada Street, Palmerston N.

**CAMPAIGN NOTES.**

(By the late Dominion Organiser.)

Pahiatua was reached on Wednesday, October 8th, and here I enjoyed the hospitality of Mrs Cox, with whom I had stayed in Woodville sixteen years ago. Mrs H. Neal having removed there from Wellington, had succeeded in arousing a considerable amount of interest in our work, and the following night we had a good audience for the talk to the girls, in spite of bad weather. On the following Tuesday a branch was organised at a meeting held in St. Peter's Schoolroom, when officers were elected as follows:—President, Mrs H. Neal; Secretary, Mrs Procter; Treasurer, Mrs Paterson. The following day I travelled to Palmerston North, where I shall be located for awhile.—Yours for the cause,

MARY E. POWELL.
