### SOME PARENTS SAY

(The Telescope Messenger)

"We will not influence our children in making choices and decisions in the matter of religion." Why not?

The advertisements will. The press will. The radio will. The movies will. Their neighbours will. The politicians will.

We use our influence over flowers, vegetables, cattle, yes, even table manners. Shall we ignore our children?

### MEDITATION

"Be mine some simple service here below—  
To weep with those who weep, their joys to share,  
Their pain to solace, or their burdens bear;  
Some lonely one in friendly way to meet;  
Some exile in his new-found home to greet;  
To serve some child of Thine, and so serve Thee.  
Lo, here am I! To such a work send me."

Edward Everett Hale.
