### CHINA'S REPLY TO JAPAN.

Here is a nice little topical item that will be received with gusto at any smoko. A strip of coloured paper is shown to contain some Oriental writing. Patterning that this is a diplomatic message from Japan to China, he says that immediately it was received it was torn up; and he suits the action to the word by tearing it into small pieces. These are rubbed together and then shown restored with China's message to Japan. AND—there is a big laugh coming, but we cannot explain that here. There is no catch; it is just too good to disclose.
