THE EGG BAG TRICK.

(EXTRAORDINARY)

This is the famous Egg Bag Trick, as done by the world's best magicians, yet it is so simple that with it the beginner can bewilder an audience. An egg is passed for examination, and a small bag is shown, both inside and outside, to the audience. The performer puts the egg in the bag, and while holding it, from the outside of the bag taps it on the table or against something to show that it is there. Yet, on the word of command the egg leaves the bag, which is turned inside out, and shown to be absolutely empty. Even the onlookers fail to find it in the bag. A spectator is now asked to hold the bag, when the performer, with sleeves rolled up, immediately produces the egg from inside the bag.
