PENETRA — MATTER THROUGH MATTER

A Novel Card Trick. No Skill or Practice Needed. Very Mystifying.

Effect—A Card with cross cuts in the middle is shown and another ordinary card handed around for examination. This is placed behind the first card and a rubber band is passed around each end. The performer bends the front card forward to show that the other card is still there. Then he thrusts a pencil or a match right through the cards and draws out the other side, yet he immediately hands out the rear card, that proves to be intact and undamaged.

PRICE 2/6, with full directions and diagram.

THE MONTE CRISTO DECK, No. 2.

No. 2.—Enables any amateur to perform many tricks, including the following:—Restore the torn card. Burn a card, and afterwards restore it whole and perfect. Destroy a card and afterwards find it in a hat, in a locked box, under a chair cushion in a gentleman's pocket. Any one of the tricks can be performed by an amateur in the drawing-room, without fear of detection and will enable him to amuse the company with only the aid of the pack of cards, no confederate being required with any of the tricks.
