A curious beast is the *Olio-Squitch*  
It feeds itself solely on brilliantine  
which  
Wiseacres connect with the soothing  
effect  
On the palates of those who eat *Olio-Squitch*.

I never knew a *Dumkin* that  
Was not both kindly, round and fat.  
The *Dumkin* lives on buttered muffins  
Wherein it differs from the Puffins
