(e) *Musical and Art Appreciation*. Most of the material for these classes is held by Div. Det. which will make it available to Div. Units on request.

(f) *Film Service*. In co-ordination with and under the control of the existing Y.M.C.A. service, a mobile film service operating from Formation HQ will show documentary and educational films round units.

(g) *Hobby Huts*. Units will need to furnish instructors in woodwork, metalwork, perspex work and general arts and crafts when establishing these. If instructors prove in short supply a loan of instructors from other units for short periods for training purposes will be arranged.

(h) *Elementary courses in Home Gardening* and in the *petrol engine* for the owner-driver. Units should have no difficulty in finding instructors. ERS will supply text-books where necessary.
