

Dozerdust

VOL I. NO II.

WORKS SERVICE ENGINEERS.

AUGUST 21, 1943.

THIS IS NOT HOME

ISSUE.

does he need pre-natal care ?

heard a remark among the genuine bush party (no connection with advance bush party)

how is the baby ?
what baby ?
the onel/cpl t.f. bluck is carrying.

"red" was not a happy man when the lady overheard him describe as one with a face "like big ben" would you ?

complications set in on naming trucks.....mavis means more than one wife !

ask spr. lowe to tell you of his dream....it was a whopper ! ! ! ! !

two men in the transit camp now sing "i dont want to walk beside you"

we have had to suspend our "clean old man" he forgets to wash before wiping. c'mon george do the decent thing*come clean.

THIS MAN.

this week DOZERDUST presents a supplement entitled THIS MAN which will be a monthly feature introducing a personality from other units of new zealand forces. * * * although we are essentially a unit paper...as such little interest outside a small circle...our work carries us in- to other camps. * * * we are reminded that we are but one link in the chain where friends ...relatives....and new friends meet...in THIS MAN.....

CHANGE.

we have discarded capitals not from a fatuous desire to be different, or to be "advanced", but for the obvious reason of time and space. it is easier to skip capitals,.. so why not?

HERE IT IS !

DOZERDUST issue 25th SEPTEMBER goes HOME with your CHETRIO, details ... next week.....next week.

our best wishes to editor and staff of the PEOPLES VICEmany thanks for copies.....

"if i do not get a letter tonight, i'll take two photographs down".. threatened JACK MASON..dont be rash, JACK.. there's not many like ... you !

the boys who are to have a recording on monday are growing nervy--- you can take, boys, and give it. * * hope herr hitler is not on the air.

our sub-editor going away for week-end....so soon after the dance perper...percy...be your age!

there is no doubt it is.....the old dog for the hard road

#DOZERDUST thanks eddie, tom, tony for efforts on saturday night..also lieut tremain and committee.....
