MAP READING MUTILATED IN MAGNIFICENTLY MAULED MGMOLOGUE.

--- DIXON'S DYNAMIC DISSERTATION ---

"Go Flash" has pleasure in presenting the scoop of scoops, the sen-sation of a century - Capt. I.H.B.Dixon and his Merry Map Readers.

Our reporter, with this paper's motto "Cun Flash gots the Goods" uppermost in his mind, and regardless of personal danger, obtained this story for the benefit, education and amusement of our readers.

Here it is!! And, as Cassar once said, "You ain't heard nuthin yet"

"Morning, men."

"Good morning, toacher." "'Morning's' good enough, blokes - the 'good' is a waste of time.

Remember, in the army, 'Abbreviate, and be obscure!".
"Right, a spot of M.R. this morning. Sprry I'm late, but I've been nutting out a few admin problems. Well, Mesterday's tak was on R.Fs. B.Ms. and M.S.L. A spot of a change today, eh? Er . Yes . well, let's get crackin!! Assume you are i/c an arty det about to do an inf recce with MT but having no sig sec you have no intercourse by WT with a cav. coln carrying out ops under the same 00 over a dist inklet your FLD but excl the dist incl your med arty."

"That clear ?? All nutted out ?? " Well, here's the problem." "You get another 30 saying to collect PWs and then make your inf recco as an arty det and find out what med arty incl tpt is held by arty regt in enemy FLD. Now, just nut it out; get it clear in your mind; line it up and tell me what would be the first thing you'd do. I'll

give you 5 min."

"Well, 5 mins is up! What would you do . the silly looking chappie

in the corner?"

Thy, IEd make immediate application for two bods at Porirua or

Avondale - one for me and one for the bloke who drafted the order."

"Wrong - you wicked boy! Next man?"

"Well, personally speaking, I suppose I'm wrong, but the way I 'nut
it out' is that it's propably only an appendix to the 'Koran' and I'd post it air mail to Ghandi; he'd be able to sift the B.S. from the

"Huh ~ that's not quite right either; er ~ what's the "H" stand for?" "Horse".

"Well, blokes, I can see you haven't got it quite lined up yet. e the first thing you'd do would be just to send, "Ack"." see the first thing you'd do would be just to send,
