ASSOCIATION FOOTBALL:

The Naia Oval was the scene last Wednesday afternoon of a very interesting and instructive game of soccer between and team of visiting marines and an eleven from Naia.

Unfortunately rain spoilt the game to a certain extent and made the ball heavy and rather difficult to handle. Nevertheless some excellent play was seen and considering the skill of their opponents, the Naia team put up a good show which resulted in a win for the visitors: 5-1.

The Marines showed excellent combination especially in the forwards and a general masterly control of the ball. What the local team lacked in skill and experience was made up by fitness and a determination to make some sort of score. For Bty mention must be made of A.Crabb and Macindoe (1 goal) for good play in the forwards while D.Crabb, minchen and Major Luxford were outstanding in the backs. Bty's goalie, Lt. Chapman, had one or two unfortunate scrambles with the slippery ball which resulted in goals for the visitors. It is hoped to have a return match at some future date.

The curtain-raiser game between two teams of Bty personnel - the "Disuniteds" Vs the "Derangers" captained by two chaps whose qualifications need no comment, provided the onlookers with a fast and perhaps the rarest type of paly yet seen at Naia or anywhere else in the soccer world. The last 5 minutes of play was "all in" - a combination of soccer, rugby, and commando tactics. The final score was 1 nil in favour of the mighty "Derangers".

RUGBY

Last Sunday at Kiwi Oval, the Regt got its own back on the Navy for its defeat at soccer the previous week.

In the A game our team won by 8-0 though the play was not of a good a standard as one might expect. Bad

handling, frequent infringements, and the continual chirrup of the whistle were a deterrent to good football.

In the B game much bright football was seen, handling and general play being of a much higher standard than in the A game. The final score was 15 - 3 in our favour.

The Navy team was handicapped by the fact that it is a matter of years since most of their players had had a game.

FOOTBALL RESULTS:

The following are the results of the games played on Saturday, 12th. June, 1943.:-

| | | | |
|-------|----|-------|---|
| 150 A | 16 | 151 B | 3 |
| 151 A | 50 | 204 B | 0 |
| 204 A | 9 | BSD | 3 |
| RHQ | 3 | 150 B | 3 |

150 B Vs. RHQ:

On the whole this game was not characterised by good play, though it was an exciting game from a spectators point of view and brought forth much "barracking" from the side line. Campbell played a good game for the 150 side.

204 A Vs. BSD:

This game, although rather straggly for the most part, was fairly evenly contested throughout.

151A Vs. 204B:

204 B team were quite outclassed by the good football played by the 151 fifteen.

RHQ and 150 B are still equal in the lead in the points competition and there is promise of some exciting football when these two teams meet again:

Winners of this week's sweep:

Cnr. Gillespie (6)
Bdr. Page (3)
