Admiral Nimitz's task forces continue their heavy attacks by air and sea bombardments which have now been going on for a week.

From the reports it would appear as if there were some half-dozen task forces operating in this area including at least one British force.

Heavy air raids have been made on Rangoon, Singapore, and Bangkok.

The second bastion of the

Bratislava Gap is being attacked. Russian forces have crossed into Austria and are 30 miles from Vienna.

Allies Roll on

A security black-out still covers the advance of Field Marshall Montgomery's men. General Bradley's 9th Army has joined in the same phase of the battle after a well-planned break-out from the south.

Heavy Air Attacks

A heavy attack on the rail junctions at Hamm and on two benzol plants in the same vicinity is reported.

RAF planes dropped 10 ton bombs on U boat shelters.
