

PRICELESS POETIC PIECES
(AND ALL THAT..)

"ODE TO NEW CALEDONIA"

O' Flashing pearl of Southern sea,
That kindly fate brought me to thee
Your mystery like exotic maid
you Belle.

From scordid earth the storm did brave
To seek thy pleasure o'er the wave
To dedicate to thee the life I love
so well.

Now tied to thee by ethereal band.
Full content with heart and hand
To ever stay from home and hearth
LIKE HELL.

??? DOES IT EVER STOP RAINING ???

"GIVE THIS A NAME"

Two fat legs and a
baddish cough
The type of cough that
carries you off
Yet it is'nt the cough
that carries one off
It's the coffin they
carry one offin.

HIGHLIGHTS

That tall dark handsome chap is here again-hair on the upper lip has been banned-fly swatting parades are to be held-equipment. 1 fly swat per man-record of the flys killed in action is to be recorded. This, we presume, is to discover whether the mounting total of fly deaths will surpass figures in a certain score book...
