A hair-raising mystery that makes them sit up and take notice. Watch them hold their breath when you fire at the target with a man beneath it. You can fool them all with this wonderful mystery. **No. 5. MARVELLOUS LEVITATION.** Now, different from all the rest. A man or woman is apparently hypnotised and placed on a couch. You make a few passes over the body. The subject is seen to rise slowly in the air until he or she is floating in space, in absolute defiance of the law of gravitation. No wires or pulley work from overhead, no mirror or magnetism. The most sensational act on the stage. It is easy and quickly arranged and performed on different principles from any yet offered. Worked out on any stage of platform in full light, away from curtains etc.
