Dear Sirs,

I was very delighted to receive your letter of 15th inst. together with cheque for the sum of £15 in

regard to "War Wit" Competition No. 1.

The competition gave me much pleasure and I send my best wishes for the future success of the "War Wit."

Yours sincerely,
(Mrs.) P. Johnson.

"Edith, can you cook?"

"No, Lionel. Can you afford to keep a motor car?"

"No, dear."

So they did not marry, and they lived happily ever afterwards.

THE CULPRITS.

The cinema star was earning the reproaches of the producer.

"Look here," she said, "I'll have you understand that actors are born and not made."

"That's right," sneered the producer, "shift the blame from yourself!"
